The AHC is known for convening the equine industry's visionaries and leaders in an intimate three days of informative and innovative discussion on some of the most relevant challenges and initiatives facing the industry. Attendees get to participate in discussions that help shape the industry and optimize existing and emerging legislative and regulatory issues.

Registration will open on or around September 1, 2020 and video conference logistics will be sent to registered participants along with committee meeting agendas and bios for guest speakers.

AHC will hold its 2021 meeting June 6-9 at The Le Meridien in downtown Denver, CO.

Contact AHC President at jbroadway@horsecouncil.org for more information.

About the [American Horse Council](#)

As the national association representing all segments of the horse industry in Washington, D.C., the American Horse Council works daily to represent equine interests and opportunities. Organized in 1969, the AHC promotes and protects the industry by communicating with Congress, federal agencies, the media and the industry on behalf of all horse related interests each and every day. The AHC is member supported by individuals and organizations representing virtually every facet of the horse world from owners, breeders, veterinarians, farriers, breed registries and horsemen's associations to horse shows, race tracks, rodeos, commercial suppliers and state horse councils.
